

2022 SCOTTSBLUFF AREA CREATIVE DISTRICT SURVEY 1 FOR CREATIVES/ARTISTS

Thank you for sharing your creative gifts with the Scottsbluff/Gering community! With your help we'll be able to build a more vibrant and exciting creative community for generations to come.

About the Creative District

Scottsbluff is working towards designating a "creative district." This program helps towns set goals for growing the arts of all kinds, as a way to improve communities and grow jobs in creative professions. Creative districts build on the unique strengths and culture of a community to create one of a kind sense of place.
